

I do not feel that the FCC what I am able to pay for and hear. I pay each month for XM radio for the quality and variety that I am not able to have anywhere else and I benefit from the weather and traffic on XM Radio. I do not believe it should be up to the National Association of Broadcasters to dictate what I should and should not be able to hear, especially when I am paying a monthly subscription fee! Do not take instant traffic and weather off of XM Radio!!!
